

Peace One Day Student Coalition

Add your university, youth group or educational institution and help create the largest gathering of individuals in the name of peace the world has ever seen.

Peace Day is everyone's legacy and will only work if everyone gets involved. So get involved! It is the commitment of universities, students and young people worldwide to come together in large numbers on Peace Day that will bring the goal of institutionalising the day even closer.

The Student Coalition provides a platform for students to be a part of this groundbreaking initiative. In turn, this will enable Peace One Day to measure the impact of youth on Peace Day, 21 September. [Join here!](#)

If your university or youth group has joined the coalition and would like to contact another member of the coalition to share your Peace Day plans, please email global.education@peaceoneday.org
